LETTER FROM THE CHAIRMAN

It was a banner year for the Pasadena Center Operating Company.

Together, the Pasadena Convention Center, the Civic Auditorium, Convention & Visitors Bureau and Ice Skating Center surpassed their revenue goals and exceeded expectations to provide quality service for the Pasadena community and our visitors. Over 350,000 visitors passed through our doors at the Pasadena Convention Center and Civic Auditorium resulting in over $30 million in direct spending to our local hotels, restaurants and attractions.

The Convention Center showcased its ability to support more complex and large-scale events bringing to life such top notch events as American Phytopathological Society Annual Convention, QuiltCon, Politicon, Space Tech and the Professional Hair & Makeup Expo – PHAME. At the Civic Auditorium, we were also pleased to host an outstanding lineup of events including the 47th Annual NAACP Image Awards, Taraji and Terrence’s White Hot Holiday Show on Fox, An Evening with Neil deGrasse Tyson, 28 tapings of America’s Got Talent and So You Think You Can Dance.

The Pasadena Ice Skating Center attracted over 100,000 skaters this year. It doubled its participation in the well-known Lil’ Kings Program by the Los Angeles Kings. The rink also hosted more than 380 skaters from 13 other rinks at the US Figure Skating’s Southwest Regional Skating Championships.

In addition, the Pasadena Convention & Visitors Bureau continued to encourage leisure tourism and attract lucrative meetings and conventions to Pasadena in an effort to bolster the local economy. This year we fulfilled 105 percent of our room night goal in booking 44,252 contracted room nights. The CVB launched a China Ready program to leverage the growing Chinese market. Furthermore, the CVB successfully garnered attention in such publications as The New York Times, Delta Sky, AAA Highroads, Los Angeles Magazine and California Meetings + Events.

These accomplishments are evidence of the Pasadena Center Operating Company’s success in its role as a vital economic engine in the region. Our topnotch management enables the organization to meet our challenges and I am extremely proud of our staff and our committed board of directors. They continue to maintain and operate a world-class facility and provide excellent service to retain and grow our business.

We hope you enjoy reviewing our accounting of the year and we look forward to continuing to serve our City and the region.

Sincerely,

Gene E. Gregg, Jr.
Chairman

TRAVEL TRADE

This year, the PCVB hosted four familiarization events for tour operators from Guadalajara, China and Japan.
China is the largest growing travel market in the United States and Pasadena has a strong reputation with Chinese visitors due to its relation to the significant Chinese American population in the San Gabriel Valley. In 2015, Chinese visitor spending grew 38% in Pasadena.

In order to build upon this growing market, Pasadena launched a China Ready program in September to inspire travel to Pasadena from China and showcase our world class cultural and entertainment offerings. The key objectives of the program were to influence group tours and foreign independent travelers, increase hotel bookings and educate Pasadena partners about the Chinese inbound tourism ecosystem and trends.

Mayor Terry Tornek and Congresswoman Judy Chu joined us for a media kick-off event for the China Ready Program. It was well received in the community earning coverage in 18 publications and a media value of $152,500.

The PCVB launched a WeChat account, the predominant social platform in China that reaches more than 650 million active users. The VisitPasadena account serves as an information hub and social media platform to engage Chinese visitors. In a brief six months, the number of followers grew to 1,000.

The program also featured educational workshops for partners, a travel trade familiarization event, publicity support for partners and visitor hotline services in Mandarin. The China Ready Program garnered 79 articles produced with a $5.6M media value.

ADVERTISING

Leisure advertisements were placed in 16 publications to promote Pasadena as a premier tourism destination. A digital co-op with Visit California was utilized to leverage the state tourism division’s immense resources. A new hyperlapse video inspiring travel to Pasadena and highlighting key attractions was distributed on a premier social media distribution, Matador Network. It reached over 140k people and resulted in 250 new followers. In the winter, a Pasadena video was featured in Times Square to entice travelers to our sunny and beautiful destination.

Meeting/convention advertisements were placed in nine trade publications in an effort to promote Pasadena as a premier meetings destination, including: CVENT, Meeting Focus, Associations Now and Connect.

A growing investment in digital platforms for both leisure and trade publications was a key focus as media continues to evolve to a more mobile state.
